No incentive options have been issued by Sun Resources NL (“the Company”) for some time and the Board considered it appropriate to provide these incentives as the Company has implemented a wages freeze and other cost cutting procedures to preserve cash. The exercise price at \$0.0015 is similar to the \$0.0016 price of the Share Purchase Plan and the recent Placement to minimise the potential dilution to the existing shareholders that have supported the Company during the recent oil price crash.</p>
